RENTAL CONDITIONS

PURPOSE

Qsources BVBA provides the objects as operational rental equipment in perfect condition, unless otherwise specified.

Corresponding user manuals are provided and the products should only be used according to their instructions.

The client confirms that its own staff will safeguard and operate the rental equipment or system only.

In case operation by third parties is required, Qsources is informed by email beforehand, and such is only possible with explicit email permission from Qsources

RETURN AFTER RENTAL PERIOD

Qsources bvba retains the right to reclaim the rental equipment at any moment, in which case the client is obliged to return the unit(s).

The client is responsible to return the unit to Qsources Belgium within the agreed time frame

The client is responsible for any costs related to late return beyond the agreed time frame given above

If units are not returned at/or before the requested return date, then Qsources obtains the right claim a fixed rental costs of 2 % of the product replacement value, per day from client.

In case units are not returned after 30 days of the agreed rental period, then the total costs of the object apply, plus any expenses made to obtain payment.

SHIPMENT

Qsources prepares the rental unit for shipment to the client. The client arranges pick up or shipment can be initiated by Qsources. The transport fee is carried by the client.

Client ships the rental object(s) back to Qsources for arrival on the first day ending the rental period.

It is advised to insure return shipments. Both return shipment and insurance costs are paid by the client.

Indicative packaging instructions are accessible with the manual and via the partner portal on the Qsources website.

Clients is responsible for the state of the equipment until acceptance of shipment at Qsources.

RESPONSIBILITY on the state of te object(s)

Qsources is responsible for normal functioning of the objects.

Qsources will also take any repair costs for malfunctioning in the period of the rental, if the object(s) have been used according to the provided instructions by Qsources.

Apart for minor wear, or malfunctioning as above, in careful handling, the client is responsible for any costs to restore the object(s) to the pre-shipment condition.

Client is also responsible for the costs of replacement or other costs arising from loss of the objects after arrival.

LIABILITY

Qsources BVBA does not take any responsibility for any damage occurring in relation to the rental object(s) either directly or indirectly either to Client or to third parties.

The customer here with exempts Qsources BVBA from any liability against any claims by either himself or third parties in case of any such damage.

In case, notwithstanding the restrictions of responsibility contained int his section, any liability against Qsources BVBA, this liability shall not in any case exceed the total value of the product.
